

Meeting Minutes  
Date: 30<sup>rd</sup> September 2020  
Time: 15:00-15:40  
Place: Google Hangouts Call

The following are points from the meeting:

- I prepared a presentation about feedforward neural networks, recurrent neural networks and different neural language models.
- Dr.Gatt clarified some things regarding embeddings.
- Dr.Ellul suggested to start reading more papers about the topic to try and find a gap or decide from where to start on.
- Next meeting 7th October 3:15pm
